- (2) A Permit shall become void automatically when the Bed and Breakfast facility is changed or used in any way which requires a new Permit.
- (3) A Permit shall become invalid if and when revoked, by the Code Officer, pursuant to the Code Officer's written determination, issued to the Owner, that the Bed and Breakfast is no longer compliant with the applicable Borough Property Maintenance Code and/or Building Code.
- (4) A Permit will expire upon the change of ownership and/or lease of the Bed and Breakfast.

C. Application for Permit.

- (1) The Owner(s) of a Bed and Breakfast requiring a Permit is/are responsible, jointly and severally, for filing an Application, to the Borough, for the Permit, which Application must comply with all the requirements, established pursuant to this Ordinance, and any

applicable Regulation, for such Applications – including the requirement that the Owners(s) must keep a current log with the names and addresses and phone numbers of all parties who use the Bed and Breakfast which information must be made available to the Borough immediately upon request for same. Failure to maintain this log shall be grounds for immediately terminating the permit.

- (b) all the required Fees have been paid in full;
- (c) the Code Officer has inspected the Bed and Breakfast and any and all common areas and facilities and determined that, to the extent observed by the Code Officer, they are in

compliance with all applicable Borough regulations and the Regulations enacted under Section 6 herein.

(5) Denial of Permit

If, upon inspection, the Code Officer determines that the Permit should not be granted, due to any condition(s) that does/do not comply with applicable regulations, the Code Officer shall issue, to the Owner, a written determination identifying the non-compliant condition(s) and ordering that compliance be achieved in a timely manner. The Owner shall comply with all such orders. Provided, however, that the Owner may appeal any such order to the Board, but only as provided in this Ordinance, no such appeal shall relieve the Owner of the immediate duty to correct dangerous and/or nuisance conditions.

D. Effect of Permit.

The issuance of a Permit, for a Bed and Breakfast which is not new construction, is based upon inspection of conditions readily observable. A Permit does not constitute the Borough's representation that there is no condition, at the inspected premises, which violates applicable Borough regulations. The Borough's ability to enforce compliance with its regulations, with respect to conditions existing at the time any Permit is issued, is not limited by the issuance of the Permit or any reliance thereon.

4. ADMINISTRATION, INSPECTION AND ENFORCEMENT

A. The Code Officer shall administer and enforce this Ordinance and the Regulations.

B. The Code Officer is hereby authorized to inspect to determine the condition, occupancy, number of occupants, use and/or compliance, of any and all Bed and Breakfasts, with this Ordinance, the Regulations and other applicable Borough regulations.

C. The Code Officer is authorized to issue Permits, revoke Permits and issue determinations of non-compliance with this Ordinance, the Regulations and other applicable Borough regulations; to issue orders compelling such compliance; and to file and prosecute legal and equitable action to compel such compliance.

D. Search Warrants.

If entry to any property, building or Bed and Breakfast, for the purpose of inspection, is denied to the Code Officer, the Code Officer may apply to the appropriate authority for an administrative search warrant. Without limitation, when denied access, the Code Officer may request a warrant for the following reasons:

- (1) the inspection is part of a systematic inspection, permitting and enforcement program;
- (2) the affiant has knowledge of or probable cause to believe that there is an existing or potential violation of applicable Borough regulations, in the Bed and Breakfast; and/or
- (3) the entry is necessary for the purpose of re-inspecting a violation of a Borough regulation previously observed by the Code Officer and which the Code Officer ordered to be corrected.

No search warrant is required if an imminent danger to health and safety exists, or the Code Officer has probable cause to believe that dangerous conditions exist, and an inspection is required to determine if an inherent danger to health or safety exists.

E. Emergency Order.

If the Code Officer determines that, within any residential premises, an emergency condition exists which requires immediate action to protect the public health, safety and/or welfare, the Code Officer may issue a Determination declaring the existence of such emergency condition and an Order requiring the action necessary to be undertaken by any Owner to correct such condition effectively and immediately. The owner may file an Appeal of any such Order with the Board, but any such Appeal shall neither serve as or have the effect of a supersedeas.

5. ENFORCEMENT, SERVICE OF NOTICES AND ORDERS

A. Whenever the Code Officer believes, or has cause to believe, that a violation of this Ordinance, any Regulations or any other Borough regulations (including but not limited to the Property Maintenance and Building Codes) exists, the Code Officer shall give written notice to the Owner that an inspection is required, and the Owner shall promptly schedule the inspection.

B. If the Code Officer determines that a Violation exists, the Code Officer shall issue a Notice of Violation to the Owner, which Notice shall:

- (I) state the nature of the violation;

- (2) identify the regulation violated;

- (2) if both mailed NOV's are returned as either unclaimed, unaccepted or undeliverable, the Borough shall attempt to serve the NOV personally upon any adult occupant of the Bed and Breakfast which is the subject of the NOV and the NOV shall also be affixed to the exterior of the room or building in which the Bed and Breakfast is located.
- (3) An NOV personally served on the Owner shall be effective immediately for all purposes.
